"For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made..."

Many Canadians have heard these inspirational words from Ps. 139. Yet, many Canadians keep silent when well over 100,000 babies are done away with through abortion every single year in this country.

It is left to committed Christians and people of good will to speak on behalf of those with no voice. The group called Right Now has been working in many ways to stop this Canadian holocaust.

One way is to elect pro-life politicians. Another way is to give a majority of the present politicians something they will agree with.

We know that most Canadians support some measure of protection for the unborn. Canada currently has no law concerning abortion. Through the underground work of Alissa Golob at Right Now, we know that babies are being aborted even up to the last month – well after 20 weeks.

Since most Canadians and even politicians would agree that the present situation is not tolerable, Right Now has begun a petition saying that abortion would be restricted to just 20 weeks of pregnancy.

That is clearly palatable to most Canadians and even politicians.

Ethically speaking, we Christians can sign such an imperfect petition with the intention of doing better next time.

If you can, please take an empty petition home and get 6 signatures

and return it here filled with 6 names.

Petition sheets can be found on the bulletin board

Petitions can be scanned directly to Scott@itstartsrighnow.ca, mailed to: RightNow, PO Box 20052 Brandon RPO, Brandon South, Manitoba, R7A 6Y8 or returned to the parish office before Aug. 1, 2026.
